

CREATING A CLEANER, SAFER,
HEALTHIER WORLD.

EQUIPMENT

Tennant vacuum range

- Simple – ergonomics and features for operator comfort and convenience
- Reliable – equipped with durable major components
- Affordable – deliver high value at reduced operating costs

RANGE OVERVIEW

Cable management

Double speed switch

Tool storage

V6

- Innovative design with durable major components.
- Ergonomics and productivity improved through important features such as the telescopic aluminium wand, cable management and on-board accessory storage.
- Double speed switch allows for sound level reduction offering ultra quiet operation.
- Excellent dust control with standard HEPA 3-stage filtration.

- ▣ For all floor types: carpet, tiles, wood, vinyl, natural stone.
- ▣ For all applications:
 - Offices: meeting rooms, aisles, seats.
 - Retail: show floors, entryways, aisles.
 - Hospitality: entryways, rooms, lounges, meeting rooms.
 - Daytime cleaning.
- ▣ Accessories:
 - Standard: Combination floor tool, accessory kit, telescopic aluminium wand
 - Optional: Universal tool, cloth bag

V3

- Great value for money with excellent ergonomics features such as the telescopic aluminium wand, foot operated on/off switch and low noise level.
- High level of durability and reliability through the use of durable major components.
- Optional HEPA 3-stage filtration increases dust control and improves indoor air quality in dust sensitive environments.

- ▣ For all floor types: carpet, tiles, wood, vinyl, natural stone.
- ▣ For all applications:
 - Offices: meeting rooms, aisles, seats.
 - Retail: show floors, entryways, aisles.
 - Hospitality: entryways, rooms, lounges, meeting rooms.
- ▣ Accessories:
 - Standard: Combination floor tool, accessory kit, telescopic aluminium wand
 - Optional: 3-stage HEPA 12 filters, universal tool, cloth bag

V-SMU-36

- High level of durability and reliability through the use of durable major components.
- Significantly lowers vacuum emissions with standard HEPA 3-stage filtration.
- Features improve productivity and lower service costs.
- Delivering high value at significantly reduced operating costs.

- ▣ For all floor types: carpet, tiles, wood, vinyl, natural stone.
- ▣ For all applications:
 - ▶ Offices: meeting rooms, aisles, seats.
 - ▶ Retail: show floors, entryways, aisles.
 - ▶ Hospitality: entryways, rooms, lounges, meeting rooms.

- ▣ Accessories:
 - ▶ Standard: On-board crevice tool, dusting brush with telescopic aluminium wand

V10, V12 and V14

- Wet and dry vacuum cleaners providing a complete choice of tank capacities for a variety of applications.
- The V10 and V12 are robust and high performing industrial vacuum cleaners that remove water effectively from all types of decorative and hard floor surfaces.
- The V14 – with a 48L wet capacity – is a multi purpose industrial trolley mounted vacuum cleaner designed for heavy duty cleaning of extended floor areas

- ▣ For a wide range of floor types: carpet, tiles, vinyl, concrete.
- ▣ For industrial applications: shopping aisles, workshop, around production line.

- ▣ Accessories:
 - ▶ Standard: suction vacuum hose, wand tubes, tool kit, floor tool wet and dry, polyester filter bag.

V-BP-7

- Light weight backpack structure.
- Maximum comfort through weight distribution to the operator's hips rather than the back
- Standard HEPA 4-stage filtration.
- Durable major components.
- Delivering high value at significantly lower operating costs.

- ▣ For all floor types: carpet, tiles, wood, vinyl, natural stone.
- ▣ For all narrow applications: vehicles (busses, trains, planes) or facilities with many stairs and obstacles (cinema, theatres).
