

Thin Brick Multi Use Formliners

Versa-Brix®-Antique

VERSA-BRIX® ANTIQUE CLASSIC™

Get the look of Antique brick, now available in a thin brick Inlay formliner system. Versa-Brix® Antique Classic was developed to solve the problem of 2-dimensional brick look and unrealistic mortar joints associated with thin brick precast concrete wall systems.

Green Building Product

- Coved mortar joints
- Repetitive casting/Snug fit
- Modular connectivity
- Easy assembly/fast delivery
- Great customer support
- Thin brick packages
- Any pattern
