

Thin Brick Multi Use Formliners

Versa-Brix®-Block

VERSA-BRIX® VERSA BLOCK

Architectural Polymers has teamed up with various thin stone & block manufacturers to offer architects, owners and pre-casters a method for casting thin masonry products into precast concrete building systems.

- Custom manufactured
- Tough multi-use components
- Easily combined with Versa-Brix® M & S thin brick formliner systems
- Historically sensitive projects
- Stunning, non-repetitive results
- Green building product
