

Thin Brick Multi Use Formliners

Versa-Brix®-Vertical

VERSA-BRIX® VERTICAL™

Until now, vertical casting of thin brick was offered as a High Cost, Labor Intense option from the usual source. Architectural Polymers blows the competition away with an easy-to-use, less expensive system.

Introducing the **VERSA-Brix Vertical™**

- Reusable up to 50 times
- Great for Cast-In-Place/Vertical Precast
- Quick Installation
- Custom Systems Available with Fast Delivery
- Corner Systems
- Green Building Product
